Cartofreako × Setouchi

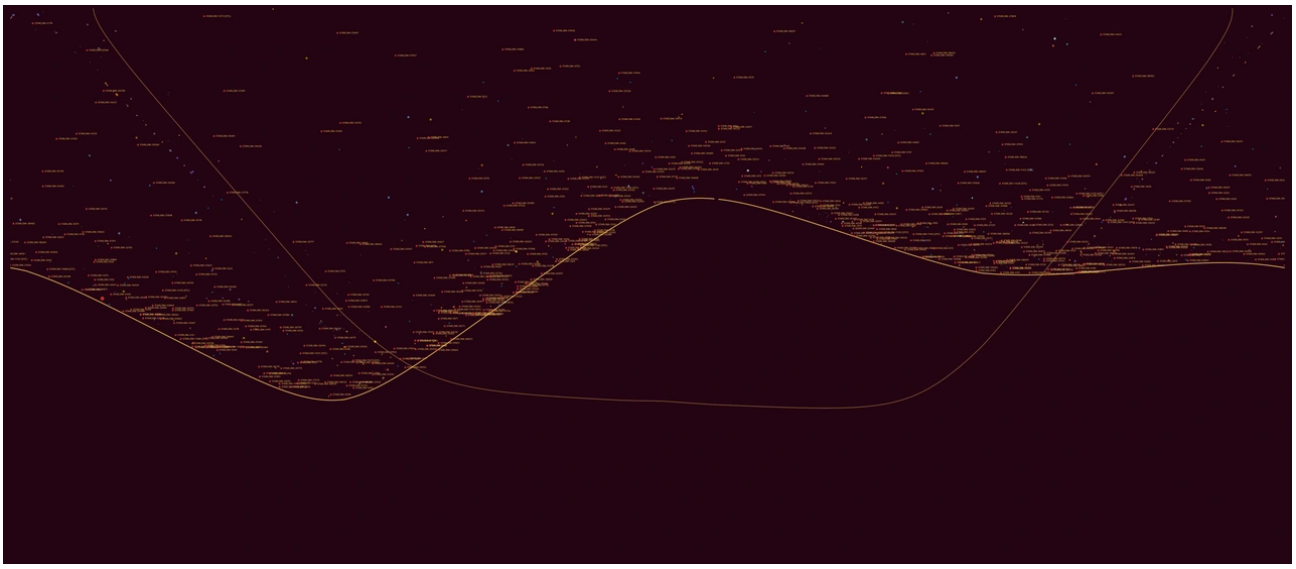

A proposed public atlas studio · Benjamin De Kosnik
Maps, drawing, folding, and printmaking as ways to explore possible futures.
Selected studies for a conversation with Hajime Narukawa · 6 November 2026

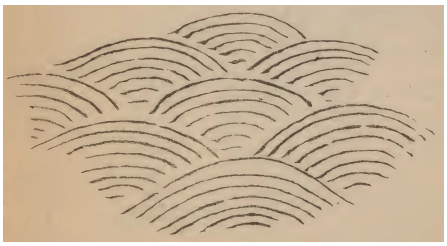

Water · World

Water · Japan / Setouchi

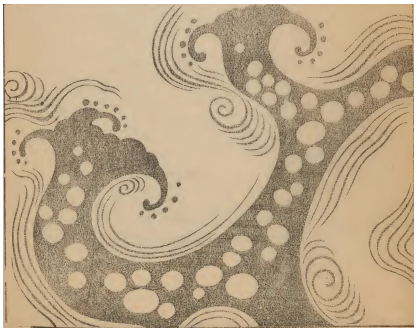

Orbital sky · San Francisco reference · 3 November 2026, 17:10 UTC

Book 1 · 005e

Book 2 · 003a

Book 3 · 003f

Mori Yūzan, Hamonshū (1903). Details segmented for the Izzi review collection.
Geographic artwork: Cartofreako's modified AuthaGraph layout; projection by Hajime Narukawa.
Water: Natural Earth. Orbital sources: see the companion atlas legend.
The studio and any participation remain proposed. A short exchange would be welcome.
