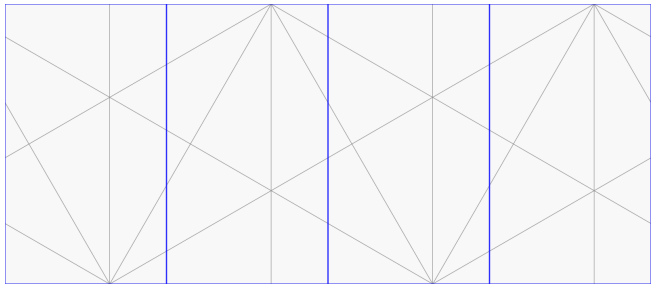
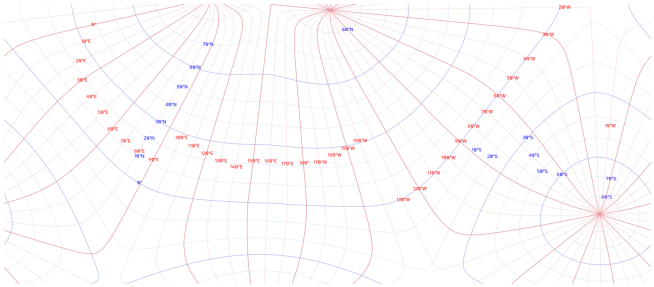
# World / 1–9

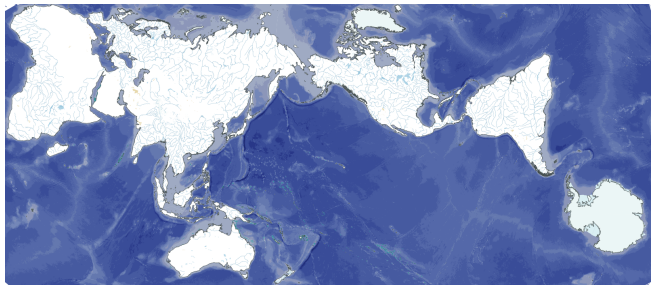


Native geometry



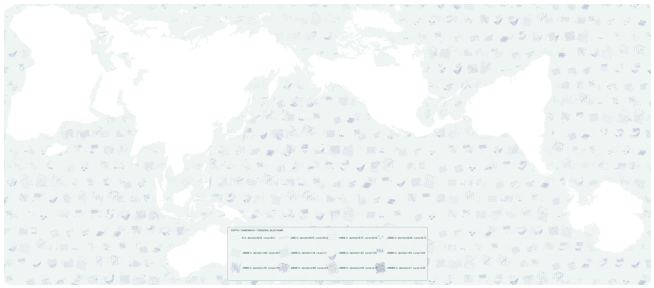
Graticules

Earth

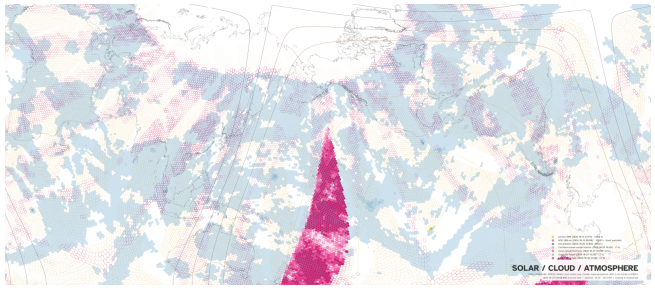


Water

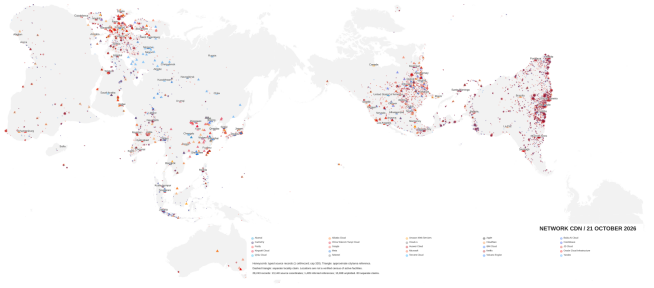
Bathymetry Roulette



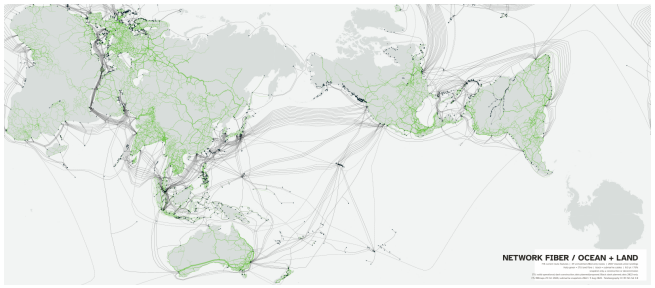
Bathymetry Hamonshu



Atmosphere



Network CDN / source records

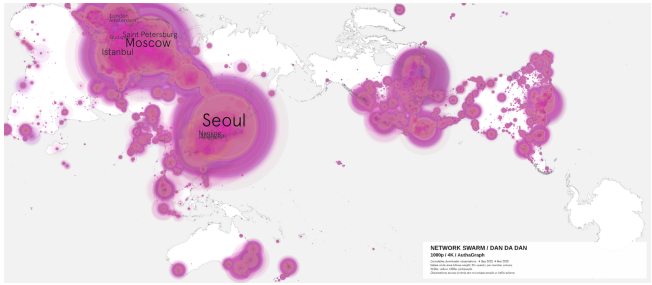


Network Fiber

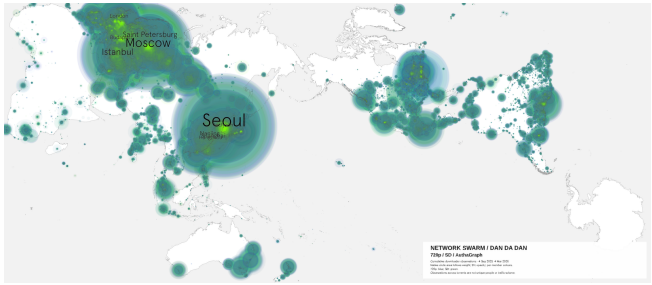
Study edition · 29 October 2026 · See individual plates and source notes for units and dates.

# World / 10–18

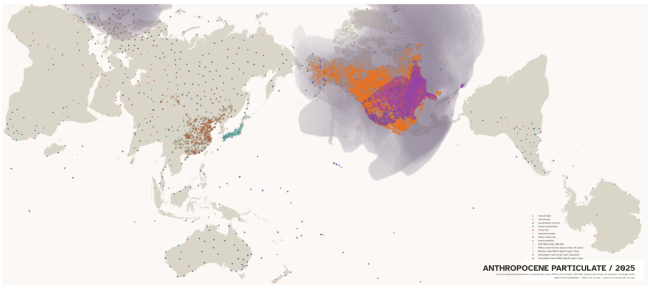
Network Groundstations



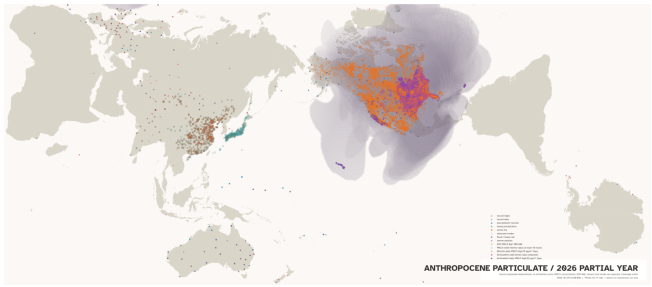
Network swarm / Dan Da Dan / 1080p / 4K



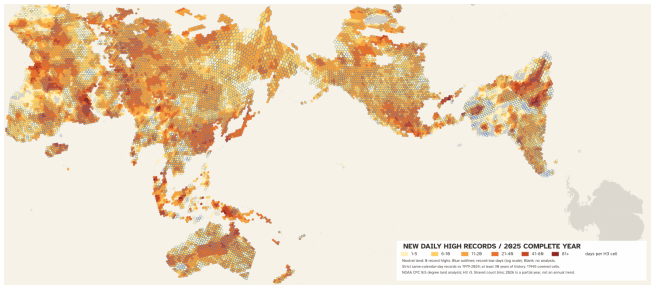
Network swarm / Dan Da Dan / 720p / SD



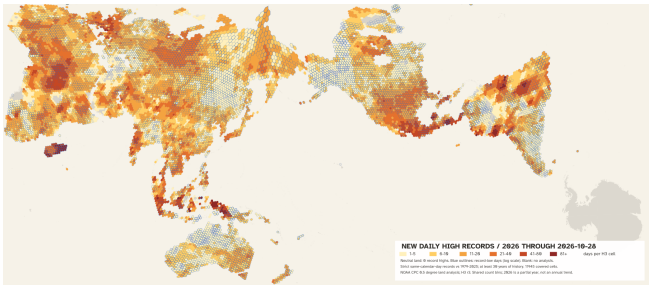
Particulate 2025



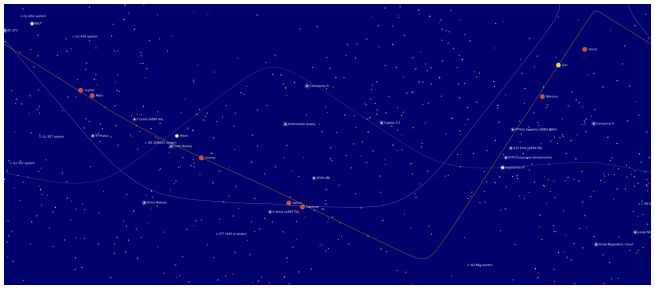
Particulate 2026



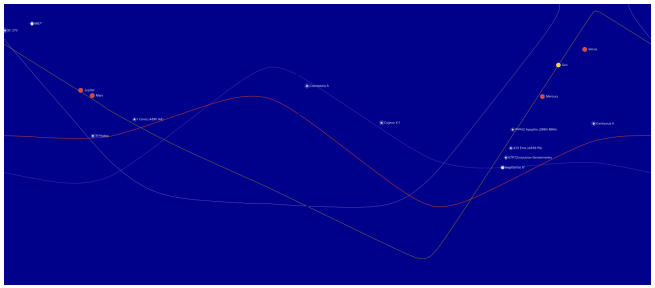
Temperature 2025



Temperature 2026



Astronomy: all sky

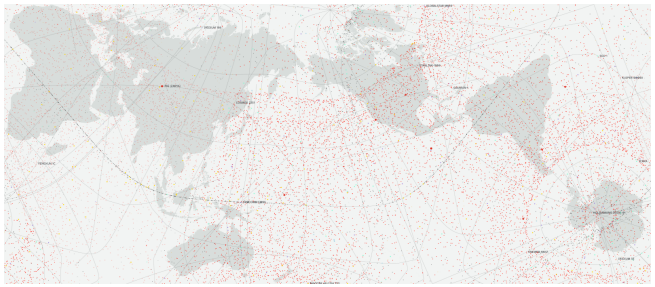


Astronomy: ground observer

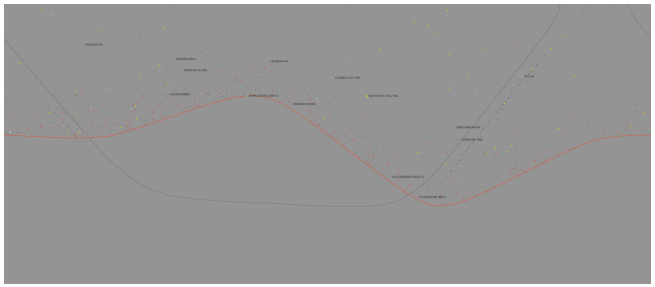
Study edition · 29 October 2026 · See individual plates and source notes for units and dates.

# World / 19–27

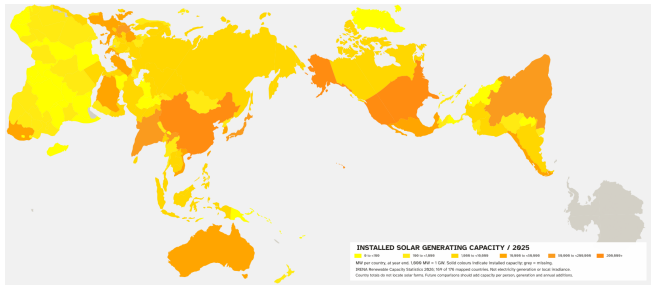
Astronomy: Hubble observer



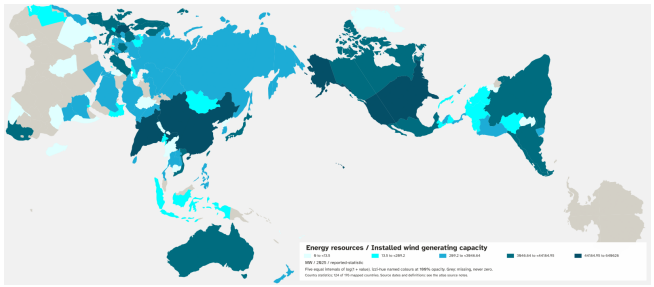
Orbital Technosphere: global



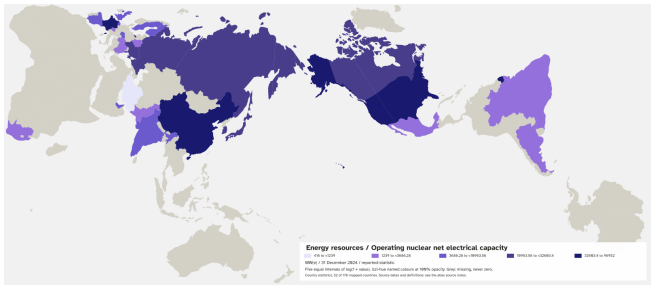
Orbital Technosphere: observer



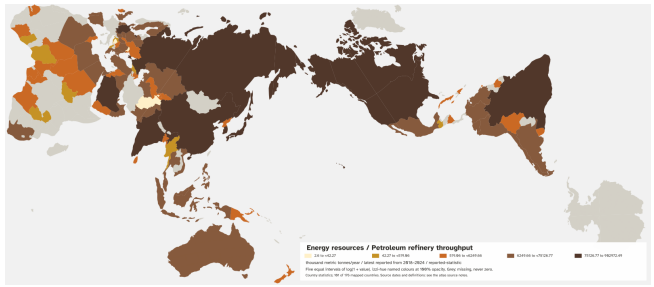
Installed solar generating capacity



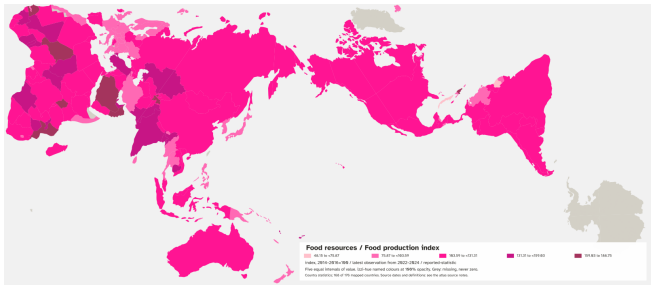
Installed wind generating capacity



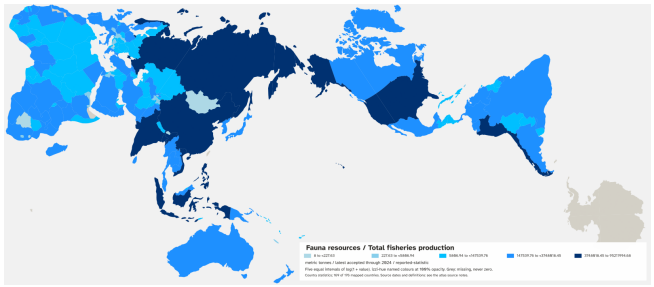
Operating nuclear net electrical capacity



Petroleum refinery throughput



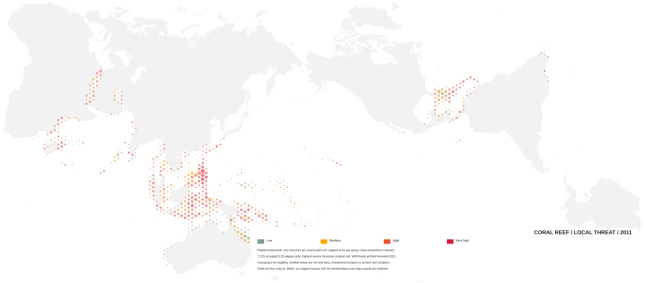
Food production index



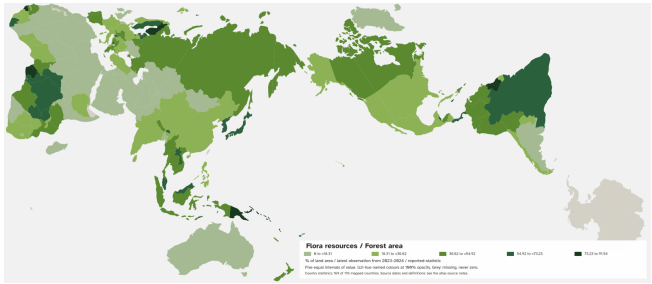
Total fisheries production

Study edition · 29 October 2026 · See individual plates and source notes for units and dates.

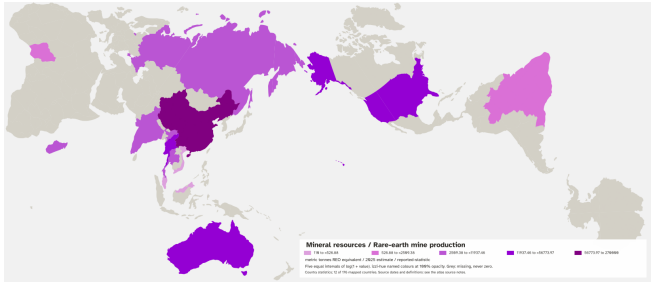
# World / 28–36



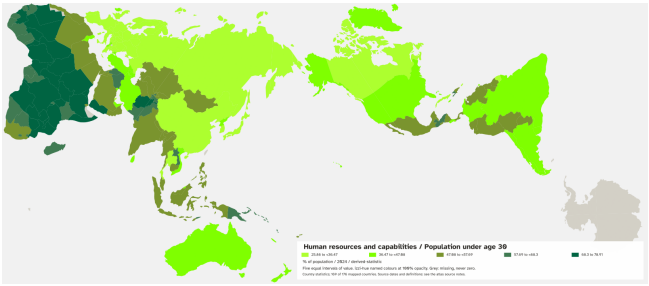
Coral reef integrated local threat



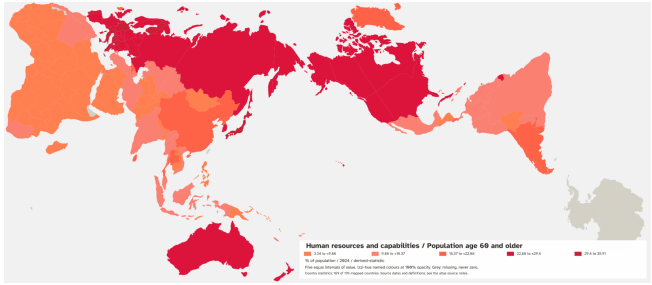
Forest area



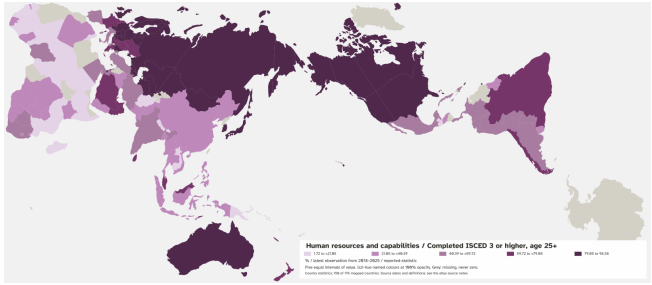
Rare-earth mine production



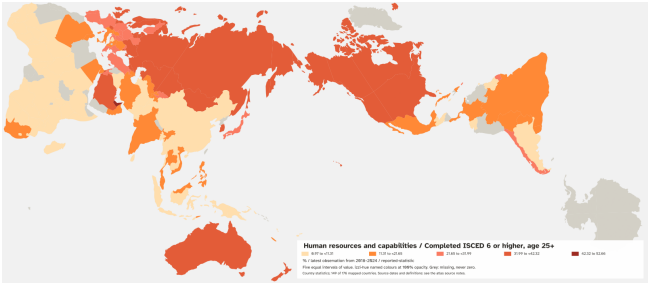
Population under age 30



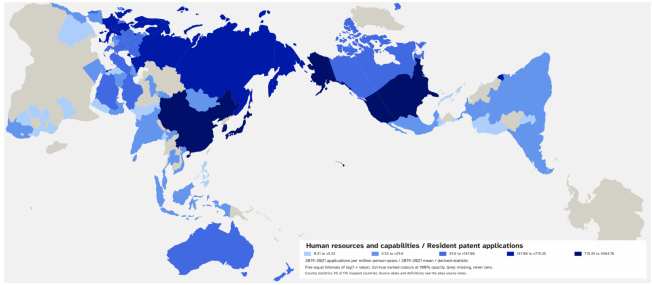
Population age 60 and older



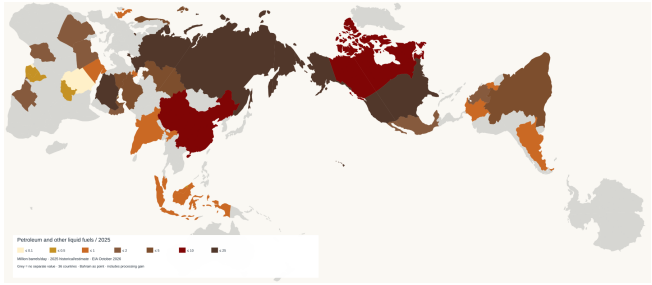
Completed ISCED 3 or higher, age 25+



Completed ISCED 6 or higher, age 25+



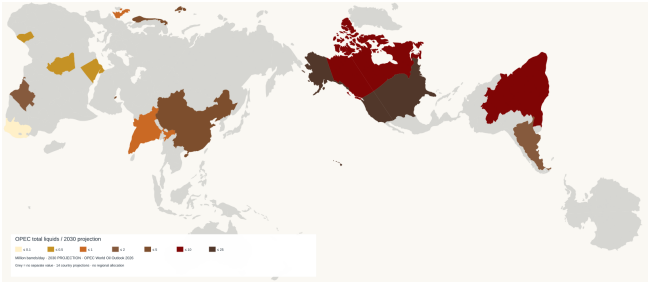
Resident patent applications



Petroleum and other liquid fuels / 2025

Study edition · 29 October 2026 · See individual plates and source notes for units and dates.

# World / 37–38



OPEC total liquids / 2030 projection

World Oil Outlook / country coverage

# Japan companions / 1–9
